Industry to
Make Quiz
Safeguards

CHICAGO (AP) — Harold E.
Pelless, president of the National
Assn. of Broadcasters, said today
that the industry is prepared to
set up its own audit and safe-
guards if necessary to protect
"freedom" of TV quiz programs.

Pelless, speaking at the open-
ing session of the national
two-day fall conference, expressed
personal concern over action by
many presenters to establish a
professional committee.

"I should not have to remind
you that the result of these meet-
ings may be a challenge to the
system of voluntary self-regula-
tion," he said.

Chicago's local quiz program,
"The Price Is Right," was dis-
cussed, and the public and the
quiz show industry were aware
that the NAB audit is possible
if the board is not satisfied.

LEWISVILLE, Ark. (AP) — A
charge of first degree murder was
filed today against Richard Wooten,
57, of Stamps, in the fatal
shooting of a companion on a fish-
ing trip.

Ulice Miller, 51, a Stamps pul-
wood contractor, was shot north of
Lewisville Saturday night.

A third man, Dowell Clark,
about 40, of Stamps, told police
that Wooten began abusing him.
Clark, who is crippled, said an
argument followed and Wooten
got a .22 caliber rifle and shot
Miller twice in the chest.

Funeral services for Miller were
to be held today at the nearby
Fulton community. He is survived
by his widow, one son, a stepson
and a step-daughter.

Accidents in
State Leave
23 Deaths

By The Associated Press
A highway accident killed two
Negro men last night, bringing to
23 the number of violent deaths
in Arkansas during the week end-
ing at midnight Sunday.

The wreck, on state Highway 32
west of Foreman, killed Colarill
Glover and Alonzo Richard, both
of Foreman. It involved an auto-
mobile and two pickup trucks.

State police identified the in-
jured as W.C. Pickens, Fred Lee
Robinson, Eura Harris, John Jack-
son and James Williams, of Ash-
down. They were hospitalized at
Ashdown.

A father and three children died
in a house fire at Reyno, near
Pocahontas, Saturday night. The
mother was critically burned but
three other children escaped.

Don Shepherd, 25, a Benton feed
store owner, was accidentally shot
to death yesterday after returning
from a squirrel hunting trip. He
was hit in the chest by a .22 caliber
rifle bullet. Police said the gun
apparently discharged as Shep-
herd was removing it from his
car. He is survived by his widow.

J.P. Henry of Banks, Ark., was
killed Saturday night when a car
struck him as he walked along
U.S. Highway 65 near McGhee-
ville. State police said the driver,
Robert Herrington, 14, of McGhee-
ville, told officers that lights from
an oncoming car blinded him and
he didn't see the victim.

Other traffic accidents took
seven lives during the week. Five
one, accidental shooting five, a
fatal stabbing, one and accidental
electrocution, one.

No Chance for
Presidency,
Faubus Says

By JOHN R. STARR
LITTLE ROCK (AP) — Gov. Or-
val E. Faubus today belittled his
chances of becoming a presiden-
tial candidate in 1960.

"I've got no more chances of
running than any of you," he told
newsmen.

Faubus made this remark after
he was asked whether he felt the
failure of southern governors to
name him chairman of the South-
ern Governors' Conference had
hurt him politically.

The conference last week passed
over Gov. Faubus to name Gov. J.
Linwood Almond of Virginia as
chairman for 1960.

Faubus said he did not feel
Almond's election was a personal
rebuff.

"I did not seek the chair-
manship," he said. "I wanted to get
next year's conference in Arkon-
sas and I succeeded in that. It's
a tradition that the conference is
held in the home state of the
chairman and having the confer-
ence here is more important to
Arkansas than the chairmanship."

Faubus said the 1960 conference
probably would be held in Hot
Springs in September or October.
Faubus declined comment on re-
cent remarks by Washington Rep-
resentative William W. Harrison
indicating the Republican
honorary might run for governor
in an independent next year. Fau-
bus again sidestepped questions
about his own political plans.

"I haven't made any decision,"
he said.

The governor left after the press
conference for a two-day hunt-
ing trip in northern Wyoming. He
will be accompanied by his adminis-
trative assistant, Holla Fitch, and
Harry Hastings Sr. and Harry
Hastings Jr.

Brown Refuses
Clemency for
Caryl Chessman

SACRAMENTO, Calif. (AP) —
Gov. Edmund G. Brown today re-
fused to grant clemency to Caryl
Chessman.

Chessman, who has been in
death row for 11 years, is sched-
uled to be executed Friday.

The governor made his decision
Sunday night before leaving on a
trip to Chicago.

Brown's statement said the con-
victed kidnaper-robber has not
sought executive clemency and,
to the contrary, "He has declared
that he seeks only vindication."

"This I cannot give him. The
evidence of his guilt is overwhelm-
ing."

Brown noted that, at the request
of Chessman's attorneys, he con-
ducted a personal hearing
Wednesday.

He said: "The record shows a
deliberate career of robberies and
kidnapings, followed by sexual as-
aults and acts of perversion ac-
complished at the point of a load-
ed gun."

New Hearing
for Leggett
Is Denied

WASHINGTON (AP) — The
Supreme Court today denied a
hearing to Emmett Earl Leggett
who was convicted of murder in
Arkansas and sentenced to be ex-
ecuted.

Counsel for Leggett contended
he is now insane, and the super-
intendent of the Arkansas peni-
tentiary should submit a jury of 12
persons to decide the issue.

The superintendent, Lee Henslee,
refused to impanel such a jury
but, told Leggett's counsel a
thorough investigation in com-
pliance with state law had shown
the prisoner to be sane and respon-
sible. Leggett's attorney is appeal-
ing to the high tribunal argued
Henslee had the absolute duty to
permit the submission of proof in
support of the insanity plea.

Missing Girl
Found Alive
and Unharmed

POTOMAC, Mo. (AP) — A young
girl missing all night in near-
freezing temperatures in the Clark
National Forest was found alive
today, three miles from the point
where she disappeared. Donna
Ruhl, 3½, was shivering from the
cold but otherwise appeared to be
in good condition.

The child, still wearing only a
light summer dress, walked out
onto a country lane from a wood-
ed sector just as searchers were
passing by.

More than 400 searchers, includ-
ing 150 soldiers, were in the
suggested area when she was found.
The child was calm but her par-
ents broke into tears as they em-
braced her.

Before she was found, authori-
ties had expressed fear that she
might have been kidnapped. She
had disappeared from the parked
car of her parents, Mr. and Mrs.
Harry Ruhl, near this eastern Mis-
souri town when they went for a
20-minute "like into the woods
about 2 p. m. Sunday.

Faubus Won't
Give Critics
Attention

LITTLE ROCK (AP) — Gov. Or-
val E. Faubus said today that no
body low his critics try to de-
grade him. He will continue to
fight for what he thinks is right
for the people.

Faubus told a meeting of the
Southwestern Union of the Broth-
erhood of Locomotive Engineers that
any centralized government con-
trol over local affairs would ac-
tually destroy American freedoms.

"We do live in one world," he
said, "but few want to mold every-
body into the same pattern and
compel us to have our children
fight for what he thinks is right
for the people."

Obviously he referred to the in-
tegration issue. He added:
"If the day comes when they
succeed, it won't make any dif-
ference whether the trains run. If
we are dictated to from any cen-
tral point, whether it's Washing-
ton or Moscow or some place else,
we won't have America any long-
er."

"Whatever you've read about me
— and a lot of it wasn't true — I
want you to know I will fight for
what I think is good for the Ameri-
can citizens," he told delegates
at the three-day meeting which
ends Wednesday.

Leggett Is
Denied Two
More Appeals

LITTLE ROCK (AP) — Condemn-
ed slayer Emmett Earl Leggett
today lost two more appeals in
the Arkansas Supreme Court.

Leggett's attorney had asked for
a rehearing of his murder con-
viction for slaying a 14-year-old Joe
King to death near Jacksonville
in 1955 on the basis of a psy-
chiatrist's report that was not
available at the original trial.

A team from Manning's Clinic
at Topeka, Kan., said in 1957 that
Leggett was insane. This discred-
ited findings of Arkansas State
Hospital physicians, both before
and after trial, that Leggett was
sane.

Justice Jim Johnson last sum-
mer granted Leggett a temporary
stay of a new trial before he was
to have been executed. The stay
was granted because Leggett could
not afford a lawyer to represent
him.

Ike Delays T-H
Injunction to
Halt Walkout

WASHINGTON (AP) — President
Dwight D. Eisenhower today re-
portedly delayed his decision to
settle the nation's longest steel
strike. President Eisenhower,
however, put off asking for a
court injunction sending the 500,-
000 steelworkers back to the
mills.

White House press secretary
James C. Hagerty said there is
"no time limit" on the President's
study of the report of his board
of inquiry which tried for a week
without success to bring agree-
ment between industry and the
United Steelworkers.

This apparently left time for
them to make voluntary moves to-
ward agreement by bargaining.
But Eisenhower's three-member
fact-finding board gave little hope
for early success in their 37-page
report to the White House.

"As we submit this report, the
parties have failed to reach an
agreement and we see no pros-
pects for an early cessation of the
strike," the report said.

"The board cannot point to any
single issue of any consequence
whereupon which the parties
are in agreement."

There was almost universal be-
lief that Eisenhower would be
obliged to call on Atty. Gen. Wil-
liam P. Rogers to obtain an in-
junction—probably in Pittsburgh
U.S. District Court — forcing the
steelworkers back to work for at
least 30 days while new mediation
efforts are organized.

The union's president, David J.
McDonald, said the steelworkers
will fight the issuance of an in-
junction all the way to the Su-
preme Court, if necessary.

Speaking to reporters after an
hour and 15-minute meeting with
the union's Executive Board, Mc-
Donald said the board unanimously
approved the union negotiators'
rejection of the latest proposal of
the steel industry.

McDonald again made clear,
however, that the steelworkers
will use every legal resource that's
available to oppose issuance of a
back-to-work court injunction.

"But if it is issued we will live
up to the law of our country," he
added.

McDonald described the indus-
try's offer as one of "bribe
arbitration" under which the com-
panies could not lose.

"It's heads I win tails you lose,"
he said.

The fact-finders headed by Dr.
George W. Taylor of Philadelphia
spent one hour and 14 minutes in
Eisenhower's office with Secre-
tary of Labor James P. Mitchell
and White House staff members.
Then they met reporters in Hag-
erty's office.

Hagerty said the report had
been discussed fully.

"I have no announcement of
any presidential action now," he
added.

Hagerty said Eisenhower wants
to study the report.

Taylor told newsmen the board
reached the end of its mediation
road with very sad hearts, be-
cause we feel this is an extremely
critical situation.

"The parties have a continuing
obligation to resolve these issues,"
Taylor said, after observing that
the board feels the differences can
be resolved.

"This obligation to the country
will not be discharged until they
can sign an agreement, which is
their duty in a democracy such
as ours to avoid the possibility of
an imposed decision."

"It is the belief of the board
that if we ever come to that im-
posed decision in labor disputes,
we won't have the same kind of
country."

Taylor was referring to recent
proposals for stronger government
action to settle major disputes
through compulsory arbitration
and other actions demanded in the
last few days by some members
of Congress.

The board had striven for a

week to combine a fast-ditch mediation effort with its fact finding. It got the issues defined—some of the articles had not been published since the dispute flared in April—and got each side to make some concessions.

But Sunday night the negotiations collapsed finally. Chairman George W. Taylor of Philadelphia said the collapse was "a breakdown of collective bargaining."

Eisenhower, on receiving his board's gloomy appraisal, is expected to order the Justice Department to apply for a Taft-Hartley injunction to end the strike for a maximum of 30 days. The striking Steelworkers Union prepared to fight the injunction, but promised to obey it if issued.

Filing for the injunction could come later today but more prob-

ably Tuesday in U.S. District Court here or in Pittsburgh, the union's headquarters.

Settlement failure, after over five months of steady though fruitless negotiating, left the steel industry and union bitter and accusing each other of bull-headedness. The industry said it was resisting wage demands because of disastrous wage inflation upon the steel industry and the country. The union said the industry was deliberately forcing a "police state" return of 500,000 millworkers to their jobs.

David J. McDonald, union president, hinted at trouble among workers under an injunction. He said some steel mill managers are being bribed to spy on the union and report them back to Washington for court punishment under the injunction.

Everyday collection, including Secretary of Labor James P. Mitchell, agreed an injunction may get steel production resumed

Stolen Auto Hits and Kills 3 Students

COLUMBUS, Ohio (AP) — A stolen station wagon swerved out of the lives of three children at a school bus stop today only seconds after police radar had clocked it at 55 miles an hour.

A fourth child was injured. Police took Paul Graham, 22, away as angry residents of the neighborhood closed in on him. He was rushed to a police station. No charge was filed immediately. Police said he has a record of seven previous arrests, at least two on morals charges.

The dead were identified as Randy Kline, 7, his brother Raymond, 5, and Jane Bellah, 7. Jerry Bellah, 5, suffered a broken leg.

Police were pursuing Graham for speeding when he apparently tried to drive down witnesses said. The station wagon skidded onto a sidewalk in front of a grocery where the children were waiting for the school bus.

The car, which was a 1941 model, was seen by witnesses as it struck a car emerging from a nearby trailer court. Graham leaped from the station wagon but pursuing police officer trapped him against a wall.

Witnesses said some children were thrown as much as 100 feet.

The Kline boys were sons of Sgt. and Mrs. Arden Kline. The Bellah girls were daughters of Sgt. and Mrs. Jerry Bellah. Both fathers are stationed at nearby Lockbourne Air Force Base. Both families live in a trailer court near

temporarily but will solve nothing permanently. McDonald grimly pledged a renewed strike should an 80-day injunction reach its prescribed limit.

That imposed on the nation the real threat of a new steel strike in early January.

the scene of the tragedy.

COLUMBUS, Ohio (AP) — A stolen car plowed into four children at a school bus stop in Columbus' South Side today and killed three of them, police reported.

The fourth child, Jerry Bellah, 5, suffered a broken leg. Jerry's sister, Jane, 7, was killed.

The other victims were Randy Kline, 7, and his brother Raymond, 5. The 22-year-old driver, who was not identified immediately, was taken to central police station. Police said they took him from the scene quickly because angry residents were closing in on him.

Witnesses told police the car was headed south on S. High Street (U.S. 23) at high speed.

They said the driver apparently tried to slow down and skidded onto a sidewalk in front of the grocery where the children were waiting for their school bus.

Police were told the car continued on after striking the children, smashed into a parked car, then careened off and struck a car emerging from a nearby trailer court.

The Bellah children's father is Sgt. Jerry Bellah, stationed at nearby Lockbourne Air Force Base.

Funeral Today for 4 Members of Family

POCAHONTAS, Ark. (AP) — Funeral services were scheduled today for a father and three children killed in a fire which left the mother critically burned.

William Malden, 31, a laborer, his sons, Floyd, 7, and Levi, one and daughter Jeanette two, died when flames destroyed the family's frame home at nearby Reyno, Ark., late Saturday night.

Mrs. Malden was reported improved but still in critical condition at a hospital here. Doctors said he was burned over 60 per cent of her body.

Three other Malden children, aged 10, 10, and Jeanie Louise, 9, had minor burns and a 5-year-old son, not identified, was not hurt.

Authorities said a can of kerosene near a wood stove caught fire and exploded. The accident happened after the Maldens returned from a church service.

Young Floyd died in the flames. The others at a hospital.

The joint funeral and burial was to be held at McDougal, Ark., northeast of Pocahontas, two weeks ago.

Lindsey, at the time of his death, was defense attorney for Mrs. Virginia Rand of Rogers, who faces trial on a murder charge in the slaying of a Rogers cafe owner.

Lindsey was former prosecuting attorney of Benton County and also was co-owner of the weekly Benton County Democrat.

He is survived by his widow and two daughters.

Party Loyalty Is Democratic Theme

LITTLE ROCK (AP) — Party loyalty is the theme of Arkansas Young Democrats, who also have adopted an ambitious legislative program that includes voting rights for 18-year-olds and a four-year term for the governor and other constitutional officers.

The Young Democrats went on record at their convention here Saturday urging that all Democratic candidates honor the party's loyalty oath.

Other points in the legislative program are establishment of a minimum wage for Arkansas workers and the election of county delegates to the state convention, rather than appointment. The group also seeks creation of a state commission to study the reasons why young people leave Arkansas.

News Briefs

ACORTE, Colo. (AP) — When classed were dismissed for the day at Goodman Point School, a first-grader walked up to teacher, Mrs. Marie Story, tugged on her skirt and said: "Mrs. Story, could you please tell me what I learned in school today? My daddy always wants to know."

ST. LOUIS, Mo. (AP) — David Farrelly, a junior at St. Louis University, is a candidate for Kansas King, annual male student popularity contest. "If elected, I wouldn't touch the throne with a 10-foot pole," he said. "My only purpose in running is to eliminate the excessive levity these contests create. I am directing my campaign to the serious student."

AUCKLAND, New Zealand (AP) — U.S. Defense Secretary Neil H. McElroy and his wife left for the United States in an Air Force plane today. McElroy has been on a tour of American bases in the Far East and the Pacific area.

TOKYO (AP) — Emperor Hirohito's youngest daughter, Princess Suga, will marry a \$50-a-month bank clerk next March 19. Hirohito will set a precedent and attend marriages of anyone below his rank. The 20-year-old princess is marrying Hisanaga Shimazu, 25, a descendant of a feudal lord.

LEOPOLDVILLE, Belgian Congo (AP) — Heavy casualties were reported today in continuing fighting between warriors of two tribes around Lulabour, a key town in the southern Belgian Congo. More than 20 Africans have been killed, several hundred wounded and about 1,000 huts destroyed in clashes between Lulaba and Baluba tribesmen.

CHICAGO (AP) — For safety's sake this Halloween, stick reflective tape on the children's costumes if they are going outside, and paint false faces on them if they want masks.

This was the advice today of the American Medical Assn. and the National Safety Council. They said make sure the costumes are flameproof and light colored so they can be seen plainly at night. Be sure the costumes won't trip their wearers or catch on bushes, hedges or fences.

Masks are dangerous, they said, because they restrict vision and provide a danger of suffocation. Other dangerous equipment includes candles, torches, knives, swords or other sharp instruments.

The recommendations were carried in Today's Health, published by the AMA.

LONDON (AP) — Conductor Otto Kemperer, 74, was ill today with a minor heart complaint. He canceled engagements for two appearances with the Philharmonic Orchestra at London's Festival Hall next week. A spokesman for the orchestra said Kemperer is suffering from pericarditis, inflammation of the membrane surrounding the heart.

VIENNA (AP) — Soviet Premier Nikita Khrushchev wore a "Sputnik tie" when he received visiting Austrian President Adolf Schaerf at the Kremlin Tuesday. Reports here from news-men accompanying Schaerf said the tie was light blue with a globe and an orbiting Sputnik on it.

TOKYO (AP) — Communist China today said the United Nations had been turned into a place for creating tension and adding to the cold war by its decision to debate the situation in Tibet. The official New China News Agency charged the action was intervention in China's internal affairs in violation of the U.N. charter.

LITTLE ROCK (AP) — Septemb-

er distribution of surplus ties totaled 1,944,138 pounds, \$488,251, the state Welfare Dept. said yesterday. The ties went to 175,500 persons, a decrease from the 178,500 who received them in August.

LITTLE ROCK (AP) — Serving a 30-day sentence in Pulaski County Penitentiary for charge of disturbing the peace in a dense fog early last week, Edward A. Stroble, a disgraced warning station guard, officials reported, was taken to the Georgia State Penitentiary, Ga., and gave his address as near Pine Bluff.

The automatic bottle machine was invented in 1900. Steel magnate Andrew Carnegie contributed \$800 to start a band at Pennsylvania State University in 1900.

RAILROAD FEATHERBEDDING: \$500,000,000 LOSS TO THE NATION—INCLUDING YOU—EVERY YEAR

Featherbedding on the railroads — pay for work not done or not needed — is costing the American people the shocking total of more than \$500,000,000 a year.

You pay for it every time you shop, because featherbedding costs are hidden in the price of everything you buy.

Obsolete union work rules, involving the railroad operating employees, are responsible for this gigantic burden. Right now, for instance, these rules require every diesel locomotive to carry a fireman — even though diesels have no fires to stoke, no boilers to tend.

The forthcoming negotiations between the railroads and the unions are urgently important to the whole nation.

In asking the unions to drop these featherbedding rules, all the railroads ask for is a fair day's work for a fair day's pay.

We Salute Your NEWSPAPERBOY

The 600,000 young men who deliver newspapers every day to the homes of America are proof that "busy boys are better boys".

And we believe the outstanding job which the "Junior Independent Merchants" in our own organization are doing deserves this special recognition.

If you feel that the young man who delivers your newspaper is doing a fine job, please take just a minute to tell him so the next time he calls. He will appreciate it and try harder than ever to please you and your family.

No where else can today's youngster learn so well the importance of promptness, courtesy, salesmanship and bookkeeping—as well as poise and self-confidence which helps develop a winning personality.

The cash profit which he makes is important and many youngsters are today earning a substantial part of the money they will need to go to college or trade school later on.

That's why so many employers—when they have a job with a future—look for a man who received his first business training as a newspaperboy.

We know...many of our own executives got their start that way.

Porkers Drop First Game by a Single Point

By WICK TEMPLE

LITTLE ROCK (AP) — Texas holds the Southwest Conference lead and favorite's role after last Saturday night's 13-12 victory over Arkansas, but the gritty little Razorbacks still have their pride and determination.

"We can still win it," Arkansas halfback Jim Moody declared after the game. "Somebody's going to beat Texas."

The Longhorns of Coach Darrell Royal wrested the top spot in the conference race away from the Hogs before 40,000 fans, the largest crowd ever to view an athletic event in this state.

It was a stunning, anti-climatic battle between two teams of equal strength. The game was won and lost not on positive factors but on negative ones, like fumbles and missed extra points.

Still, a number of individual stars rose to the occasion of the battle of unbeaten, Moody, the star who is bidding for All-America honors, zipped through and around Texas' big line for 74 yards, an average of better than seven yards per carry.

And Texas halfback Jack Collins, only a sophomore but already among the league's offensive leaders, gained 62 yards, threw a

Yerger Drops 18-6 Decision to Texarkana

By PAT CARR

Washington High Lions romped over the Yerger Tigers in a Big 9 conference tilt at Texarkana Friday night 18-6. It was the second setback of the season for the Tigers against three victories.

Following an exchange of fumbles the Tigers drove to the Washington 32 before losing on an intercepted pass. From there the Texarkanians drove to the Yerger four where the Tigers roped in a fumble. But Yerger fumbled it right back and the Lions recovered for a touchdown. Extra point try failed.

Yerger was unable to put together a sustained drive and the Lions took over on the Yerger 33. A pichout to Easter at the 18 carried to the one and McGhee sneaked it over. Again the PAT failed and Texarkana led 12-0.

Midway in the third period the Tigers took over on their own 21. McFadden went to the 31 and Warren and Reed went to the Lion 43. Edwards hit Shaw at the 36. Tys scattered to the 22 and then to the 5. Edwards was hit back on the 18 and the Lions took over at the 16. Turner and Criver blocked a Texarkana punt at 4 and Edwards hit Knox for the TD. Try for extra point failed and Yerger trailed 12-0.

Texarkana again saw daylight moving from their own 34. Hunter and McGhee moved it to the Yerger 16 where McGhee hit Isham on the 4 and a first down crossed from there. Again the PAT failed but that was the ball game.

Saturday night the Tigers journey to North Little Rock for a game with the Johns High Dragons, another conference tilt. In their last outing the Dragons squeaked by Washington High of El Dorado 14-13.

Henderson in Big Upset of Muleriders

By THE ASSOCIATED PRESS

Henderson State's Reddies sprung a major Arkansas Intercollegiate Conference upset Saturday night by beating Southern State 7-6 at Magnolia in the AIC game of the week. It was a battle of unbeaten and the victory tied Henderson tied for the league lead.

But some of the thunder from that game was stolen by Arkansas State Teachers College's big 23-19 victory over Delta State of Mississippi at Conway. Delta State had crumpled Southern State and Arkansas A&M earlier in the season and was favored to score its third victory over Arkie opposition.

The big play for State Teachers came in the fourth quarter when quarterback Jim Faulkner threw a long pass to halfback Henry Hawk. Hawk completed the 60-

yard play for the winning touchdown.

Arkansas A&M beat Ouachita, 14-13, in a fight to stay out of the AIC cellar.

In two non-conference games, Southwestern College of Winfield, Kan., beat College of the Ozarks 27-0 at Clarksville and Alcorn State of the University of Tennessee beat Harding, 33-13.

Arkansas Tech whipped Hendrix Friday night, 25-7.

Delta State outgained Arkansas State Teachers both in rushing and passing yardage but failed to kick two extra points. An 80-yard touchdown drive after the second half netted Teachers its second touchdown. Hawk gained 14 yards on 19 carries to lead Teachers' effort.

It was the first loss in five outings for respected Delta State and the fourth straight victory for Teachers.

ASTC and Henderson have 2-0 conference records. Southern State scored in the first quarter when Jim Vandenberg went over from the one, climaxing a drive that began with a Henderson fumble at the Reddies 18.

Henderson scored its touchdown with 13 minutes to play. Jim Golden went the last yard and Gary Weed kicked the winning point.

Quarterback Jim Rush passed for both A&M touchdowns in the Boll Weevil victory over Ouachita.

Texas Takes Lead in SW Conference

By HAROLD V. RATLIFF
Associated Press Sports Writer

Texas leads the Southwest Conference football race going into the last half of the season but isn't counting Cotton Bowl money yet. The competition has just started to get tough.

Five grim foes face the undefeated, untied Longhorns down the stretch. The first one—Rice—is probably the most dreaded.

Texas plays Rice at Austin Saturday night thinking about all the toughest tests to beat when Texas reached this stage of the race with an undefeated, untied record. Only last year Rice floored Texas 34-7 under similar circumstances.

Texas became the first team to be undisputed leader of the conference race through three October Saturdays when all teams had played conference games as the Longhorns edged Arkansas 13-12 last week.

Rice came up from the floor to tie favored Southern Methodist 13-13 and Texas Christian smashed Texas A&M 39-6 to create this situation. Arkansas beat both Texas Christian and Baylor previously.

The big game this week is, of course, that mole at Austin. But Texas A&M and Baylor will be trying to eliminate each other in a clash at College Station. The loser of this game will fall out of contention.

The shortened conference schedule makes possible two forays into interconference strife. Texas Christian plays Pittsburgh at Pittsburgh and Arkansas strikes at mighty Mississippi at Memphis.

The Arkansas-Mississippi battle will be of great importance to the league. Not yet have conference teams been able to post a victory over a Southeastern Conference outfit.

Southern Methodist, charged over its costly tie with low-rated Rice, plays a game that counts nothing, meeting Texas Tech at Dallas. Tech is a member of the conference but isn't yet competing for the championship.

Now Tech and Teachers begin preparing for their grudge match Saturday night at Conway.

In other games this week, Hendrix is at Henderson, Southern State is at Harding, Delta State is at Ozarks, Ouachita is at Southwestern, Memphis is at Arkansas State.

Arkansas State resumes competition this week after an open date. The independent Indians take on Western Illinois at Jonesboro.
